DPOF LAUNCHES THE MORTGAGE BURNING CAMPAIGN

The Delta Presents Outreach Foundation Board has officially launched a campaign to retire the current building debt of approximately \$120,000. The goal of the campaign is to reduce the monthly building mortgage overhead of \$1,600.

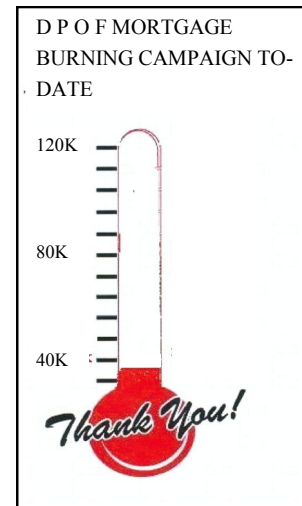

Retiring the monthly payments will create a \$19,200 cash flow per year that is presently being paid out. Once the debt is retired, this will give the Foundation a much needed cash flow reduction and create needed opportunities to continue renovating and improving the facility.

Major interior and exterior renovations were completed in 2016. However,

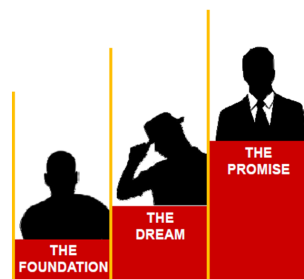

maintenance and repairs of a building the size and age of the DPOF Center are ongoing. The projected interest savings of \$48,000 is much needed to replace the air conditioning and heating units, and a new roof for the building.

The Mortgage Burning Campaign is requesting donations based on the 1973 date which represents the inception of *Delta Presents*. The goal is to solicit 60 donors who are committed to pledge and make timely payments of \$1,973 within a two year period. If donors pay the donations according to schedule, the mortgage debt will be retired by the end of the year, 2019.

To date, \$29,361 have been received toward the goal. Potential donors may visit www.deltapresentsoutreach.org, or contact any DPOF Board Member to obtain a Mortgage Burning Campaign Donation Form.

ALUMNI ASSOCIATION VITAL NETWORK FOR DELTA PRESENTS PROGRAM

For more than five decades, **Delta Presents** has been an integral part of the community. Recently, The DPOF enthusiastically voted the establishment of **The Delta Presents Alumni Association**. The Association provides a venue for graduates to maintain con-

nections with each other, the community, to support new alumni, and a forum for business relationships to provide a variety of benefits and needed services in the community. The D P Alumni Association office will be housed at the DPOF Center.

Our History

The Delta Presents Outreach Foundation's history is closely aligned with our relationship with the Little Rock Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, a public service organization.

The signature program, Delta Presents was born of a need to encourage positive aspects of youth development in our community. From 1973 to the present, *Delta Presents* has been an integral part of the community. As a result, the Foundation selected "*Delta Presents*" as its name. For more than seven decades, public service has been provided to communities in Pulaski County, and will continue. The Delta Presents Outreach Foundation, Incorporated, was established in 2008.
