Membership Drive Script

As we celebrate fifty-three years of Delta Presents, our goal is to increase membership in the association. The mission is to develop a strong bond of brotherhood among members, by fostering and promoting a close relationship with former Delta Presents Honorees. The Delta Presents Alumni Association will embrace outreach programs for African American males (My Brother's Keeper) and encourage Black Male Initiative programs. We are committed to research and follow-up of former honorees as the legacy continues!

Membership Dues are symbolic of the inception year of Delta Presents, 1973. Each year, the graduating class is grandfathered into the Delta Presents Alumni Association with no dues payable until they graduate from college, with all the privileges of membership. Your support will make the association stronger, please make a commitment today!
